Human-Wildlife Interactions

Volume 7, Number 1

Spring 2013

Human-Wildlife Interactions

Human-Wildlife Interactions (ISSN 2155-3858) is a peer-reviewed journal published two times a year by the Jack H. Berryman Institute, Department of Wildland Resources, Utah State University, Logan, UT 84322-5230, USA. The journal has over 1,000 subscribers, and an open-access version is available at www.BerrymanInstitute.org. Prior to 2010, the journal was named *Human-Wildlife Conflicts*.

©2013 Jack H. Berryman Institute. Material appearing in *Human-Wildlife Interactions* may not be reproduced in any form without the written consent of the publisher. The views expressed in *Human-Wildlife Interactions* are not necessarily those of the publisher.

Editor: Dr. Michael R. Conover

Managing Editor: Philip Parisi

Editorial Board (Associate Editors):

Dr. Michael Chamberlain, Louisiana State University, Baton Rouge, Louisiana
Dr. Travis L. DeVault, USDA/Wildlife Services' National Wildlife Research Center, Sandusky, Ohio
Dr. S. Nicole Frey, Southern Utah University, Cedar City, Utah
Dr. Bruce Leopold, Mississippi State University, Starkville, Mississippi
Dr. Giovanna Massei, Food and Environment Research Agency, Sand Hutton, York, UK
Dr. Dave Morgan, Landcare Research, Lincoln, New Zealand
Dr. Grant Singleton, International Rice Research Institute, Manila, Philippines
Dr. Desley Whisson, Deakin University, Burwood, Victoria, Australia

Journal Subject Area: *Human-Wildlife Interactions* publishes manuscripts on all aspects of human-wildlife interactions, particularly research articles in the areas of wildlife management, wildlife ecology, management applications, economics, and human dimensions. Additionally, we encourage brief articles in the categories of letters to the editor, opinion pieces, point-counterpoint articles, policy issues, and notes on research and new techniques.

How To Submit Manuscripts: Contributors should send manuscripts and cover letter via e-mail to the editor at hwi@aggiemail.usu.edu or on computer disk by postal mail plus two hard copies to: Dr. Michael R. Conover, Editor, *Human-Wildlife Interactions*, Department of Wildland Resources, Box 5230, Utah State University, Logan, UT 84322-5230, USA. The policy of *Human-Wildlife Interactions* is to require authors to cover page charges at the rate of \$100 per printed page (about 2.5 double-spaced manuscript pages will fit on one printed page). The charges allow *HWI* to operate. Detailed submission guidelines are available on the Berryman Institute website: www.BerrymanInstitute.org (click the button for *HWI* Journal).

Who Should Submit Manuscripts: Anyone is welcome to submit a manuscript, letter, and article to *Human-Wildlife Interactions*. Submissions are especially welcome from people working in operations or with practical field experience. If you have information, an opinion, or idea that should be shared with others in the field of wildlife management, please contact the editor at hwi@aggiemail.usu.edu, and we will assist you in getting your information into print.

Subscriptions: \$20 per year, domestic; \$40 foreign. Back issues are \$10 each, domestic; \$20 each, foreign. Make check payable to Berryman Institute, and send to *Human-Wildlife Interactions*, Berryman Institute, Department of Wildland Resources, Box 5230, Utah State University, Logan, UT 84322-5230 USA. Foreign subscriptions: USD by bank transfer only. Contact the managing editor for details at: hwi@aggiemail.usu.edu.

Advertisements: *Human-Wildlife Interactions* accepts half- and full-page advertisements. For more information, contact the managing editor at: hwi@aggiemail.usu.edu.

Articles appearing in *Human-Wildlife Interactions* are included in the following research indexes: *Animal Behavior Abstracts*, *Aquatic Sciences and Fisheries Abstracts*, *Biological Abstracts*, *BIOSIS Previews*, *EBSCO*, *Ecology Abstracts*, *SCOPUS*, *Web of Knowledge*, *Wildlife and Ecology Studies Worldwide*, *Wildlife Review Abstracts*, *Wilson's Biological and Agricultural Index*, and *Zoological Record*.
