## BOTSTIBER INSTITUTE FOR WILDLIFE FERTILITY CONTROL

[www.wildlifefertilitycontrol.org](http://www.wildlifefertilitycontrol.org)

The Botstiber Institute for Wildlife Fertility Control seeks to advance the use of humane, sustainable, non-lethal fertility control methods to manage wildlife populations worldwide. The Institute serves as a resource center for wildlife fertility control by:

- stimulating vital discussion, collaboration, and networking through conference and meetings;
- educating wildlife managers, policy makers and the public
  - supporting wildlife fertility control projects.

*For information on the Institute's 2018 grant program:*
